

## Reporting Your Results – Summary Chart

This simple chart summarizes the Tomatosphere experiment and provides the basic information required by the Tomatosphere Project Team. When you return to the Tomatosphere web site ([www.tomatosphere.org](http://www.tomatosphere.org)), you will need some of this information.

**You can submit individually for each class or combine all of your classes (if applicable) and submit once for all the classes combined.**

Teacher \_\_\_\_\_

School \_\_\_\_\_

Teacher's e-mail address \_\_\_\_\_

	Group B	Group T
Number of seeds planted		
Number of days until first seed germinated		
Number of days until last seed germinated		
TOTAL number of seeds that germinated
