

Reporting Your Results – Summary Chart

This simple chart summarizes the Tomatosphere experiment and provides the basic information required by the Tomatosphere Project Team. When you return to the Tomatosphere web site (www.tomatosphere.org), you will need some of this information.

You can submit individually for each class or combine all of your classes (if applicable) and submit once for all the classes combined.

Teacher _____

School _____

Teacher's e-mail address _____

	Group D	Group M
Number of seeds planted		
Number of days until first seed germinated		
Number of days until last seed germinated		
TOTAL number of seeds that germinated
